Hour clocked

I.D.Points

Evening Patrol

Missed Point

Failed Patrol

The Overview report is set up in a way that you will be able to see the guards patrol clockings in a glance over a 24hour time period.

If NO DATA was recorded you would see a blank square eg: "Reception" was missed on the 03h00 patrol
If there is no data for an entire hour this is known as a Failed Patrol.

Advanced Settings

In the *Advanced settings* option you can select

- i) Overview report for night shift (12h00 - 11h59)
- ii) Overview report for day shift (00h00 - 23h59)

Point Filter – Select to see only 1 (one) points clocking history.

Reports are viewed over a 24hour time period with the mid section displaying the selected report.
